### Source and Contraints

<b>Source Map Label:</b>	Neighbourhood Associations: Corporate Services - Community Programs & Services (Nov 2007)
<b>History:</b>	Originally maintained by Andy McDonald moved to GIS and updated by GIS staff now. Community Resource Centre Staff - Jan Ward Feb 2005: changed boundary of Stanley Park NA and cedar hills Jan 2007: renamed King Belmont NA to Cherry Park NA. Nov 2007: split Victoria Hills N.A. to add new Westmount N.A.
<b>Original Source:</b>	COMMUNITY SERVICES
<b>Original Source Process:</b>	

<b>Maintenance:</b>	Each year, GIS receives a Neighbourhood Affiliation list that goes before council to approve the layer current. There can be quite a bit of change from year to year since Neighbourhood Associations are dependent on volunteers. Boundaries are made when there are no volunteers to support them. If there is interest throughout the year in restarting or starting a new NA, the status would be changed to Pending as these are not yet affiliated through Council. The list of affiliated neighbourhood associations only changes once a year.
<b>Current Info Source:</b>	Kitchener - Community Resource Centres
<b>Outstanding Issues:</b>	Need to be notified when boundary and contact information changes - dealing with Linda Pretty and Abbie Grafstein Lackner Woods and cedar Hills actually sit on top of other NA need to add a field for primary and secondary NA
<b>Update Frequency:</b>	ON DEMAND
