-  Land parcel with flow test

If you would like to receive a copy of the test please email [Angela.Mick@Kitchener.ca](mailto:Angela.Mick@Kitchener.ca) with the address.

If you require a new hydrant flow test, please have your contractor call our service department at **519-741-2529**. The contractor must provide all equipment to perform the flow test and ensure it's in good working order. Hydrant socks must be used during the test and the contractor must supply them. It is the responsibility of the contractor to complete the flow test.
