

APPENDIX "F" - HOLDING PROVISIONS FOR SPECIFIC LANDS

88. For lands zoned MU-3 as shown on Schedules 170 and 171 of Appendix 'A', as affected by this section and subject to a Holding Provision "H", the use of geothermal energy systems shall not be permitted until the Holding Provision "H" is removed in whole or in part, by By-law and until;
- i. The City of Kitchener receives acknowledgment from the Regional Municipality of Waterloo advising of the approval of any technical studies in support of the use of geothermal energy systems on the property.
 - ii. The Owner enters into appropriate Development Agreements with the Regional Municipality of Waterloo to provide for the implementation of the acknowledged and/or approved technical studies related to the use of geothermal energy systems.

(LPAT Order 190267) (Block Line and Courtland Avenue East)
